

# Services and prices of Koelnmesse Service 2011

Calculate your trade fair success

# Successfully prepare your trade fair participation

## The basis of how our services are calculated

A successful trade fair presentation requires precise planning and calculation before booking an exhibition area. With this prices and services catalogue from Koelnmesse Service, you can calculate the costs of the additional services you may use during your trade fair presentation and add them to the cost of renting an exhibition area.

## Important information:

This catalogue provides information on the individual services offered and allows you to plan your trade fair presentation. Please only order using the Koelnmesse Service Portal at [www.koelnmesse-service-portal.de](http://www.koelnmesse-service-portal.de). All prices listed are net prices and are subject to change. The VAT applicable in per item case will be added to the price.

## Plan efficiently and easily in just two steps.

This prices and services catalogue comprises a product description and a price list with which you can calculate your trade fair presentation in two fast and easy steps.

### Step 1: Product description

The product description provides you with all the services and related information, so you can select the services relevant to you. Here you will find numerous ideas for the successful planning of your trade fair participation.

### Step 2: Price lists

The price lists display all of the service prices in a clear and compact presentation. If the service you are looking for does not have a list price, call us on +49 221 821-3998. We'll be happy to help.

Navigation through our catalogue is easy, thanks to the direct links from the product description to the price list. Just print the appropriate page of this file.

# Koelnmesse Service for your success

## Our combined services

In this overview of our services and prices, we illustrate the entire spectrum of our service offerings: from stand planning (S.01 to S.10) to technical services (T.01 to T.24) and marketing services (M.01 to M.13) to catering (C.01 and C.02) as well as a choice of suitable hotel accommodations. With these services, we provide everything you need at a trade fair that your company profits from for the long term. Working with our contract partners, we offer a comprehensive range of services that ensure a perfect trade fair experience for you.

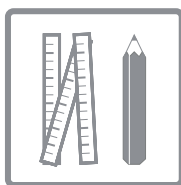

### We have all the answers

You can count on us at any time – before, during and after the trade fair. We'll gladly answer your questions, give you the advice you need and support your company with our valuable services whenever you need them.

1. We offer all services from a single source.
2. We offer expert, comprehensive advice. After all, nobody knows the Cologne exhibition centre better than we do.
3. We're on hand at the exhibition centre to help you whenever you need us.

## We maximize your success

## Stand construction services

# We make sure you have the perfect stand

With the stand construction packages offered by Koelnmesse Service, you can present your company in its best light. Our stand construction services leave no wish unfulfilled. We will provide you with trade fair stands in any size and design you need, at good value for money. So while we're organizing your stand, you can concentrate on what's important to you: your company's success.

Koelnmesse Service will build your stand in line with your needs and preferences. To take your individual requirements into account and ensure an optimal presentation for your company, you can choose from a selection of system stands with or without furniture, a customized stand design and, of course, a wide range of further possibilities when it comes to furnishings and equipment.

### Important information for all stand constructions

- Deadline for placing your order: eight weeks before the start of the fair.
- Orders received after the deadline for submission mentioned above are subject to a surcharge of 10% of the basic price.
- A processing fee of 50 EUR will be charged for per item additional change.
